

INDIANA TECH

HOUSING INFORMATION

APPLICATION PROCEDURE – The housing application and \$350 deposit may be submitted online at www.indianatech.edu/housing.

DO NOT SEND CASH – If you can't submit the payment online, make remittance payable to *Indiana Tech* by check or money order and mail it to the admissions office (not housing).

HOUSING GUARANTEE – Housing can be *guaranteed* only if the deposit is paid by May 1st (prior to first term of attendance). If paid after May 1st, you will be placed, based on availability.

ROOM RESERVATION REFUND – The \$350.00 deposit will be held as a reservation deposit for as long as you are on the list for assignment. Once this assignment is made, this deposit is held as a Damage Deposit. Since assignments are made on the basis of the date of deposit received, application and deposit must be made before the prospective student is admitted to university housing. The deposit will be retained for as long as the student continues to utilize campus housing and will revert back to a reservation deposit each summer. Should a student decide to cancel the room reservation, a refund of the \$350.00 deposit may be obtained by submitting a written request or email to the Business Office postmarked no later than May 1st of the current year's upcoming fall semester or December 1 of the upcoming spring semester. Failure to provide written notice of cancellation by that time will result in forfeiture of the entire deposit.

CONTRACTS – All freshmen and sophomore students are required to reside in campus housing. Immediate exemption may be granted if the student is

- a. 21 years of age or older prior to the start of the semester of initial enrollment.
- b. Living with responsible relative within 50 miles of the university.
- c. Married and living with spouse within 50 miles of the university.
- d. Veteran of the U.S. Armed Forces.
- e. Special circumstances requiring additional consideration.

When an assignment is made, the information will be emailed to the student. The housing contract is binding for the entire academic year.

HOUSING DATES – Please refer to the academic calendar for the current year's housing dates

ROOM ASSIGNMENTS – Room assignments are made in late May and information on the assignments will be sent out by email only in early June. Initial requests for specific roommates are honored provided the deposits and applications are made prior to May 1st and both applicants indicate their preference for each other as roommates on the online application. If a specific roommate is not requested, the Residence Life Office assigns a roommate using personal background information furnished on the application to achieve maximum compatibility. Building selection priority is made based on the completion date of a deposit and application. The university reserves the right to make changes in the room assignments when it is in the best interests of the residents and/or the university.
