

Disposable Polypropylene Hollowware

The Whelehan Group offers a comprehensive range of disposable polypropylene hollowware in natural, pink, blue or green.

Our wide range of products comprises eight items in the Gallipot and Bowl range, three sizes of Receiver and three Jugs. We also offer eight Tray options and a 20cm Quiver. These are compatible with Autoclave, Gamma or Ethylene Oxide sterilisation. Products are all available sterile or non-sterile, single or double wrapped, or pre assembled into bespoke packs. Some sterile items are available in a peel pouch presentation.

All products are latex free.
